

2018-19 CSA Vegetable Shares Signup

Hi, it's CSA signup time!

We need to hear from you: the commitment from you helps us plan. The money you pay today will pay for seeds and supplies to start the season.

We'll be excited to know that we'll be growing vegetables for you.

Important Winter Share Note Even though next winter seems so far away right now, we are ordering seed and planting for those crops now. *We do need to know now that you would like a Winter Share!*

Our Sliding Scale We want to make good food available to people of all income levels. The *Basic Price* below most closely reflects our costs to bring you a share. The *Sustaining Price* offsets the *Discounted Price* for our neighbors who may not qualify for NOFA-VT's Farm Share program, but have difficulty paying the Basic Price.

Choose your Shares below and use the amounts to do the math on the right:

Harvest Season Share	Discounted Price	Basic Price	Sustaining Price	NOFA Farm Share Price*
